## / NOTES /

### Conclusion

Joshua stood between Moses (the lawgiver) and the judges and the kings. He witnessed the exodus from Egypt, the birth of the nation of Israel, the 40 years of wilderness wandering to the realization of its full covenantal blessings in the settlement of the Promised Land.

Throughout his life, Joshua remained faithful to God and like Moses, received at the end of his life the special designation, 'servant of the Lord' (24:29).

May the book of Joshua help us to be faithful as we serve as servants of the Lord and look forward to receive our Master's commendation (Matt 25:21).

### Reflection Questions:

1. God's faithfulness is based upon His promises in His Word. How does this help you to trust in the Lord no matter what the circumstances or events you are facing?
2. As God's children we are going to experience spiritual warfare on three levels: against the world, the flesh and the devil. God desires you to experience His power and victory in overcoming these spiritual enemies. What are the spiritual enemies which hinder your progress in Christ? How are you preparing to overcome them?
3. As Pr Yu Jin encouraged us in the New Year message to Go Forward:
  - a) Are you ready with a heart to follow that you might encounter His divine presence?
  - b) Are you ready with a faith to believe that you might embrace His divine promise?
  - c) Are you ready to have the courage to act that you might experience His divine power?
